it's very good firm to start training with and very strict with following compliances and i love the way they work it's very particular and systematic , everyone is welcoming and they make the new comer feel comfortable.

I am having good experience here and learning new things in my training.

Certain things i really admire about DGC are that the firm has very healthy and productive work environment ,client oriented goals ,fulfills every commitments, ethical practices. I feel very glad to be part of DGC team as trainee where i get training not only in CS related work but in other aspects of life also.

As a trainee, I'm very glad to share and thankful that I'm a part of DGC team where I'm learning many things not limited to practical aspects of secretarial compliance but also other aspects of life. Each and every person of DGC team is very helpful and kind. Even i must say that DGC is not a firm it's family ☺

Positive: Professionalism, Quality, Value

I am one of the lucky ones that got the chance to work at DGC as a trainee. The working at DGC is absolutely superb and I genuinely enjoyed each and every moment of it. The learning at this place is extremely informative and incredibly useful. I am glad of being a part of such a dynamic team.
